**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Small businesses are key to keeping the US economy strong. That's why my wife and I chose Sonic as our ISP over AT&T for our internet and her Architecture business.

Sonic has amazing service, competitive rates and has been building fiber infrastructure in San Francisco where we live.
